

Paso Robles Overnighter – October 2025

A combined group of Cypress British Car Club of Monterey and Pebble Beach Sports Car Club Members made the trek down to Paso Robles on Wednesday, October 22.

The morning was a little overcast and there were four cars that left from The Carmel Crossroads for the drive via Jolon Road and Lake Nacimiento. Steve Kellogg in his MGB, Scott Steinhauer in his MGC, Tom and Chris Banks in their TR6 and Ken Jackson and Marie Weins in her British Mercedes Benz. We picked up two more cars, The Ericksons at the Arroyo Seco Bridge and the Delimons at the King City Starbucks.

We drove to Lake Nacimiento and had lunch at the Captains Cove Pizza which was very nice. It was a short drive down to Paso Robles and we checked into the Allegretto Resort.

Dinner that night was in the courtyard and all 26 of us sat at a long table. The Santa Maria Buffet was quite tasty and the cookies at the end capped the night off well.

The following day, we all met in the lobby and took off for a trip around the Paso Robles Wineries on the other side of the freeway. We used a winding road that was quite nice and smooth. We made a pit stop at the town square in Paso Robles and took a group picture. From there we drove back across the highway to Cass Winery where we had a real nice lunch in a room off of the retail tasting room.

Later in the day, we all met in the lobby again to take the short drive to the Sensorio light Show right up the road. This was a great experience seeing all the lights come on at dusk. The displays were very creative and grand looking. I think all the attendees had a great time.

The following morning, most folks headed home back up 101. Some had a docent tour of all the artwork on the Allegretto grounds.

All in all, I think it was a very successful trip and I look forward to returning to the SLO county next year when the Highway One finally reopens.
