CONCOURS For A CAUSE

A Vintage Voyage Around the World

Car Week is now just a little over one month away and, as we all know, there's never a shortage of events and shows to attend around the Peninsula.

Last year's *Concours for a Cause* took over downtown Carmel-By-The-Sea and was an enormous success. We had a diverse group of nearly 250 cars on display, and are looking forward to an even bigger and better event for 2026!

The event will focus on showcasing 1985 and earlier (with a few exceptions) vehicles from around the world, while also supporting over a dozen worthwhile local charities. I suggest you check it out and consider entering your car. More info here: concoursforacause.com

Del Monte Auto Club members will receive **10% off** the Participant Supporter Fee when you use the discount code **DMAC** in the payment section of the registration application here: <https://concoursforacause.com/products/application>

Hope to see you in Carmel in August!

Best,
-Roman
